

# The Law of Significance

*One is Too Small a Number to Achieve Greatness*

## Becoming A Better Team Leader

Think about the greatest dream you have for your life. Now ask yourself,

- “Is it bigger than I am?”
- “Does it benefit others as well as myself?”
- “Is it worth dedicating part of my life to?”

If you answer yes to all of these questions, then think about what kinds of people should join you to achieve that dream.

**Assignment:** Make a list of the like-minded people you know who might want to join you in the process. Then invite them to take the journey with you. (And be on the lookout for others who would benefit from being part of the team.)
